

SYDNEY MOTORSPORT PARK, AUSTRALIEN

Rennstrecken / Teststrecken

Sydney Motorsport Park

Rennstrecken / Teststrecken

Projekt	Sydney Motorsport Park
Ort	Eastern Creek
Land	Australien
Installationsjahr	2012
Kunde	Sydney Motorsport Park
Planer	Geobrugg AG
Ausgangslage	To increase the safety level along the race circuit of the Sydney Motorsport Park , a debris fence was required.
Massnahme	Geobrugg was able to design a new FIA debris fence fixed to the existing concrete barrier. A total of approximately 175 m of debris fence was installed in two sections. Geobrugg organized design, manufacturing and delivery of the fences.
Systemhöhe	2.5 m
Systemlänge	175 m
