

# FISCHEREIHAFFENRENNEN, ALLEMAGNE

Circuits de course / Pistes d'essai

# Fischereihafenrennen

## Circuits de course / Pistes d'essai

<b>Projet</b>	Fischereihafenrennen
<b>Ville</b>	Bremerhaven
<b>Pays</b>	Allemagne
<b>Année d'installation</b>	2017
<b>Client</b>	German Road Racing GmbH
<b>Ingénierie</b>	NORDBETON GmbH
<b>Situation de départ</b>	<p>The <a href="#">Great German Road Race</a> is one of the best known city races for bikes in Germany - similar to the Isle of Man TT race. The temporary race course was protected mainly with straw balls in order to secure the spectators around the circuit.</p> <p>For the upgrade of this city race track NORDBETON GmbH was contacted. They consulted the organizer and proposed safety improvements along the circuit.</p>
<b>Description</b>	Geobrugg AG worked in close cooperation with NORDBETON GmbH and delivered the Geobrugg debris fence panels for the mobile FIA debris fence.
<b>Hauteur du système</b>	3.5 m
