Yer	Le Castellet
Ülke	Fransa
Kurulum Yılı	2017
Müşteri	Circuit Paul Ricard
Mühendislik	Geobrugg AG
Yüklenici	Clotures mas
Durum	Formula 1 returned to Paul Ricard in 2018. Several upgrades were necessary to comply with the requirements for Class 1 circuits. The anti-debris fence is the central element ensuring the safety of temporary stands in certain areas.
Açıklama	<p>Geobrugg Motorsport provided the design for the construction layout and manufactured and delivered the Geobrugg FIA debris fence. We also provided an installation manual and trained the local construction crew during the first few weeks.</p> <p>The circuit reopened in September 2017 for the Bol d'Or, Bol d'Or Classic and Bol d'Argent.</p>
Kurulan diğer uygulamalar	Yarış parkurları
Sistem boyu	2.5 m
Sistem uzunluğu	- 1100 m
